

JX-210P **NEW!**

FEATURES

Fax, print and copy at low cost-per-page with the Canon JX210P. This all-in-one inkjet printer and fax phone is all you need for a personal or home office. Switch to the telephone mode with a touch of a button, and you can call out anytime!

Quickly does it – fax, print and copy

- Doubles up as your personal printer with its built-in PC Printing
- USB Hi-speed connectivity
- G3 fax modem at up to 14.4Kbps*¹
- Transmits fax documents at an approx 6-sec per page
- Prints at a fast 5.5 images per minute*²
- Copies at 4.5 images per minute*²

Easy on energy & running cost

- The minimum 1.7W power consumption in sleep mode is built to suit telecommunication lines operating round the clock
- Prints and copies greyscale documents in black ink so there's no wastage of coloured ink
- For optimum device performance and clear printouts, use Canon original PG-40 / PG-50 black ink cartridges

Drawing clear lines

- Inkjet FINE™ print technology creates crisp and clear text with its 320-nozzle inkjet full-photolithography technology
- UHQ (Ultra High Quality) image processing ensures high quality fax printing and transmission
- Produces 256 levels of greyscale

Built for convenience

- Check out who's calling with the Caller-ID (depending on country) feature
- Flip between fax/telephone mode at a touch with the Fax/Tel Auto Switch
- 20-sheet Auto Document Feeder (ADF) for continuous faxing and copying of multi-page documents
- 100-sheet Auto Sheet Feeder (ASF) capacity ensures smooth operation
- Up to 60-page fax memory capacity for seamless fax receiving at any time
- Scan once and fax up to 70 locations with the sequential broadcasting feature
- For easy retrieval of frequently dialed contacts, program them in the speed dial locations
- For easy readability, print out reports with the Image Printing feature

Black beauty

- Curved design and glossy black finish for a modern, sophisticated look
- Built-in telephone handset for handy fax-phone usage
